

ROBY PARK
PRIMARY SCHOOL

ATTENDANCE GUIDELINES

What does the attendance percentage show?

It shows the amount of time that your child is in school.

How does this work out across the academic year from September to July?

97+%	Excellent	<p>Your child is having less than 6 days absence a year.</p> <p>As well as being an 'excellent' attendee, they will almost certainly achieve the best grades available to them and develop an excellent work ethic.</p>
95+%	Good	<p>Your child is having less than 10 days absence a year.</p> <p>They are likely to achieve their best grades available to them and develop a good work ethic.</p>
90+%	Below Average	<p>Your child is missing up to 20 days in a school year.</p> <p>This equates to 100 lessons missed and a full month of teaching and learning lost!</p>

Please see the chart below for a comparison of attendance and what it could mean to you and your child.

% Attendance	Days absent from school	Weeks absent from school
99.5%	1	-
99%	2	-
98.5%	3	-
98%	4	-
97.5%	5	1 week
95%	10	2 weeks
92.5%	15	3 weeks
90%	20	4 weeks
87.5%	25	5 weeks
85%	30	6 weeks
82.5%	35	7 weeks
80%	40	8 weeks

It is a parent's responsibility to ensure that that their child attends school!
